Dear Mr. ^{Richard} Blubaugh:

Re: Contract Release, M/019/007 - Cane Creek Mine and M/037/021 - Wood Lease Mine

The Board of Oil, Gas and Mining approved a full release of the above referenced mines from Atlas Minerals' reclamation contract on January 28, 1988. This leaves 19 Atlas mines still covered by the contract.

The Board also approved a revised surety policy which is enclosed for your general interest.

Sincerely,

Lowell Braxton, Administrator

and Reclamation Program
